RE: 2020 CSEA/DMV/PEF Annual Clambake

DMV Management, CSEA and PEF have discussed the feasibility of holding the DMV Annual Clambake while ensuring the safety of our employees and members. Unfortunately, with the uncertainty of COVID 19 and the short time frame in which a decision needed to be made, the 2020 DMV Clambake will not be held.

We are hopeful that planning for a 2020 Holiday Gala can soon commence, and we will keep you posted on the status of the event over the coming months.

Thank you,

Human Resources
