

PEF members: It's time to let us know what you want in your next agreement!

Take the contract survey.

PEF is preparing for your future.

PEF's PS&T contract team is rolling out an online survey to find out what you want in your next agreement with the state. The team invites you to work with them, so they can represent you at the bargaining table. Negotiations begin 2019.

In addition to the survey, members of the contract team will be visiting worksites throughout the state, so you can further discuss your ideas and concerns. For dates and locations go to www.pef.org

In the last round of negotiations, members overwhelmingly ratified the pact because the team listened to you. Be a part of the contract process by filling out the confidential online survey at...
